Top Tips **ENGAGING WITH CHILDREN, YOUTH, YOUNG ADULTS & FAMILIES**

Build with the future in focus

Brainstorm ways to create space for young people and families to be part of your faith community.

Support local educational facilities

Make or strengthen connections with local childcares, schools, or other learning institutions in your neighbourhood.

Ask for help

Think about challenges you have that a young person might be able to help you with and ask for their advice and assistance.

Feed them

Practice generosity and hospitality, and whenever you can, include food to help build connections.

Pray for people

Pray specifically for young people and families in your local community.
