

Disaster Recovery Peer Support Workshop for Congregational Ministry Agents

VISION

Vision Statement

Piloting a peer support program for Congregational Ministry Agents during and after disasters or crises, engaging fellow Ministry Agents as peer supporters. In virtually every case, support will be provided remotely via platforms such as Microsoft Teams, phone, and other video links.

Key background experience requirements for Peer Supporters:

- congregational ministry
- exposure to disasters and crises impacting congregations and Ministry Agents
- a strong, working understanding of congregational dynamics and needs

Operational Alignment with Strategy

This Peer Support Program is one of the 4 Key Focus Areas of the **Disaster Resilience and Recovery Framework** found on **The Hub** at [Disaster Management](#).

The 4 Key Focus Areas are:

- the Moderator's Disaster Relief Appeal & Grants
- Congregational Action Plans
- Peer Ministry Support
- Queensland Disaster Chaplaincy Network (QDCN)
