

MAY YOU HAVE A RESTORATIVE EASTER

Over the last ten years there has been an explosion of television shows focussed on building and furniture restoration. Shows like The Repair Shop, Fixer Upper, The Block, Flip or Flop all focus on restoring the old and bringing life to the discarded.

This Lent, we invite you to join us as we learn about the greatest restoration project of all time. Over seven weeks we'll focus on God's plan for humankind – a plan for restoration, a plan for new life, a plan that was both unexpected and brilliant.

The material has been created using the RCL (Year B) in 2024, but can be used any year and follows weekly themes of:

Lent 1– 18 February: The Great Restoration Project

Lent 2 – 25 February: What's the plan? Setting up a Good Project Plan

Lent 3 – 3 March: A Labour of Love – No Pain, No Gain.

Lent 4 – 10 March: Flip or Flop?!

Lent 5 – 17 March: Master and Apprentice

Lent 6 – Palm Sunday – 24 March: An Unexpected Treasure

Good Friday - 29 March: Please Help!

Easter Sunday – 31 March: Sharing Your Restoration Project with the World

### There are two parts to the resource:

#### 1. Worship Resource (for worship services):

Including Lectionary Readings, Bible Themes, suggestions for Interactive Activity, Liturgy and Prayers, Tool and Restoration Facts, Restorative practices, and Conversation Starters that can be used in worship. This resource is intentionally designed to help churches prepare worship services during the season to engage people of all ages and will be suitable for all congregations regardless of size, demographic, or location.

#### 2. Bible Reflections (for Church members and families)

Connected to the weekly worship resource with tool and restoration facts, prayer ideas, bible readings, reflection, discussion questions, restorative practice, and links to additional resources for use by individuals, groups, and families of all ages and sizes during the season.

With these additional resources.

#### 3. **Facts and Links** (the links that come from the QR codes in the documents).

#### 4. Toolbox and Tools template – Black and White

#### 5. Toolbox and Tools template – Colour
