

# Stats have Faces Survey sample

As part of the "Stats have Faces" process, this short survey will help our congregation know the demographics of our members for the purposes of mission planning.

It is important for every congregation member in the household to complete this survey. Some people (e.g. small children) may need assistance to complete the task. Print copies are also available from [NAME].

In most cases if a question doesn't apply to you please leave it blank and move to the next question.

Thank you for your time.

## \*1. Are you?
